Dear AP Students and Families,

**Taking the Advanced Placement exams is an important part of all AP courses. Watertown High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition. Furthermore, earning a qualifying score on an AP Exam can help you advance and avoid required college level introductory courses – so you can move directly into upper-level classes and focus on the work that interests you most.**

This year each AP exam costs \$92.00. Watertown High School desires that every student be able to take their AP exams. Students requiring financial assistance should indicate so during the registration process.

For the 2016 AP exams, students at Watertown High School will be registering online. This registration will take a few minutes and can be completed from any computer with internet access.

Online Exam registration will begin on Monday February 22<sup>nd</sup> and end on Monday March 7<sup>th</sup>. Students who register after the March 7<sup>th</sup> deadline will be able to register with a \$10.00 late fee up to March 11<sup>th</sup>. Registration will be officially closed on March 11<sup>th</sup>.

In order to register, students should click on the link provided on the school website or visit [www.TotalRegistration.net/AP/070882](http://www.TotalRegistration.net/AP/070882).

To complete registration, students must answer all of the required questions. Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end. We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.

Watertown High School is excited to offer families the convenience of paying exam fees online at the time of registration. Please be sure to have a credit card or debit card available before beginning registration. Paying online is a great way to make sure that payment has been made while avoiding mailing payment.

Here are the important dates for the registration process:

**Mon, Feb 22, 2016 at 8:00 AM** - Registration Begins

**Mon, Mar 7, 2016 at 12:01 AM** - Registrations and payments after this date will incur a \$10 late fee per registration.

**Fri, Mar 11, 2016 at 11:59 PM** - Registration Ends

**Mon, Mar 14, 2016 at 11:59 PM** - Registrations that have not been paid for will be cancelled and exams will not be ordered.

Please contact Mrs. Jessica Fagan if you would like to register for an exam not listed or have any questions.

Respectfully,

Mr. Paul Jones  
Principal
